

## **CORPORATE SPONSORSHIP INFORMATION**

### **North Mississippi Flying Angels Booster Club (NMFABC)**

Dear Business Owner,

NMFABC is a not-for-profit, 501(c) (3) organization that supports the sport of competitive gymnastics and provides benefits for more than 40 gymnasts on the ConXion Gymnastics Team. The girls range in age from 6 to 16 and compete at various levels in local, state and regional meets.

As the girls prepare for their upcoming year, the Booster Club is starting its search for donors/sponsors of the team. Your tax-deductible contribution will help provide financial aid in many ways to these athletes. The sport of gymnastics requires the gymnasts to put in many long hours, as well as make a substantial financial commitment. Therefore, it is the mission of the booster club to raise funds and help defray costs of their expenses, which include meet entry fees, team uniforms, coaches' meet fees, training and travel expenses as well as any NMFABC sponsored team activities. Through our generous sponsors and special events, including our 8th "home" meet, Xtreme Invitational, in February 2016, we will help these gymnasts reach for the stars. For our home meet alone which includes USAG gymnasts from Mississippi, Tennessee and Arkansas, expenses (equipment rental, judges fees/travel, awards, to name a few) are in excess of \$20,000.

We offer a variety of packages, explained in more detail on the accompanying page. If there is something you would like to provide that is not listed, please call us. We are very flexible with our corporate sponsor recognition packages and other types of non-monetary donations that your organization may be able to provide.

The ConXion team schedule includes 6-10 seasonal meets with additional state and regional meets at the end of their regular season. Please consider contributing to the success of these athletes. You can make a difference! Thank you for your time and consideration!

Sincerely,
